

## MONTANA ASSOCIATION OF SCHOOL PSYCHOLOGISTS SUPERVISION INSTITUTE 2010

In relation to new state licensure requirements we will be offering supervision training for experienced Class 6 School Psychologists starting in the Spring of 2010.

Successful applicants will be responsible for the supervision of Class 5 school psychologists holding an alternative license and who are completing their formal internships within districts.

Training will be provided with the support of the Office of Public Instruction (OPI) and two applicants from each CSPD region will be welcome to attend.

The two-day course will be based on an NASP format and taught by staff from the University of Montana-Missoula and members of the MASP Competency Review Board.

Training will be held at the OPI in Helena on February 5 and March 12, 2010, and will include both group work and independent study.

Office of Public Instruction recertification credit will be available or one continuing education credit from the University of Montana, based on a minimum of 15 hours attendance.
